

LIVE. LOVE. BUY. ART. WELCOME TO OUR TOUR

Visiting art studios is hungry work! That's why the artists of this year's Uxbridge Studio Tour are delighted to be partnering with **Central Counties Tourism** to spotlight some of our area's outstanding independent restaurants, coffee shops and more.

Enjoy a cold beer at Uxbridge's award winning craft brewery **The Second Wedge Brewing Co.**, or sip a handcrafted heritage cider at the new **Slabtown Cider Co.**

Discover outdoor dining Uxbridge style on one of these beautiful restaurant patios: **The Urban Pantry**, **The Tin Mill Restaurant** or **The Hobby Horse Arms**. Grab a healthy lunch at **The Bar Café**, or a famous Studio Tour weekend gourmet grilled cheese from **The Passionate Cook's Essentials**.

Need some caffeine? **Nexus Coffee Co.** and **The Tin Cup Caffé** have got you covered.

And don't forget the **Uxbridge Farmers Market** each Sunday is brimming with local produce, baked goods and more.

For more details on any of these locations check out the Food & Drinks page on our website uxbridgestudiotour.com
