

PROUD SPONSOR OF THE UXBRIDGE STUDIO TOUR 2019

BEER. ART.

BREWERY TASTING ROOM BOTTLE SHOP BEER GARDEN

14 VICTORIA STREET, DOWNTOWN UXBRIDGE

THESECONDWEDGE.CA

In 1985 a group of dedicated Uxbridge artists had a vision of starting a free self-guided art tour. The idea was simple; to allow the community to participate in the small but vibrant art community nestled in the beautiful surroundings of Uxbridge Ontario.

Our dedication to art and our love of this region are why, 34 years later, we continue to open our doors and invite you into our studio spaces. What makes the **Uxbridge Studio Tour** unique is our dedication to giving visitors an exciting peek 'behind the curtain' to where art is created.

This is not a gallery tour! This is your chance to visit the incredible spaces where creativity flourishes and art happens. Chat with the artists as you browse their work. Find out what inspires them and catch a glimpse of what they are working on now.

This year's tour features 24 studio locations showcasing the work of 61 talented artists. Come and browse the work of printmakers, sculptors, quilters, painters, jewellery designers, photographers, and metal artists. Also meet artists who create unique pieces in glass, wood, leather, gold, fur and fabric. Whether you're looking for a sculpture for your garden, a show stopping necklace, or a dining room table you're sure to find something to fall in love with this weekend!

Make your weekend an adventure by visiting some of our wonderful sponsors along the way. Enjoy a cold beer at Uxbridge's award winning craft brewery **The Second Wedge Brewing Co.**, savour a gourmet grilled cheese from **The Passionate Cook's Essentials**, grab a peameal on a bun at **Art on the Fringe**, or sip a complimentary handcrafted heritage cider at the new **Slabtown Cider Co.** (see coupon in brochure).

The artists of the 2019 Uxbridge Studio Tour are proud to partner with **Central Counties Tourism** to make this year's experience extra special.
